

# 2024 Systems Workforce Summit

## Airbus DS Learning and Sustainment Path for Systems Architecting and Engineering Competencies

DEFENCE AND SPACE

Gianluca Marsiglia, Airbus Defence and Space  
8<sup>th</sup> – 9<sup>th</sup> October 2024, TU Delft (NL)

**AIRBUS**

# Airbus Defence and Space

Deliver innovative and sustainable defense, security and space solutions for a safe and united world.

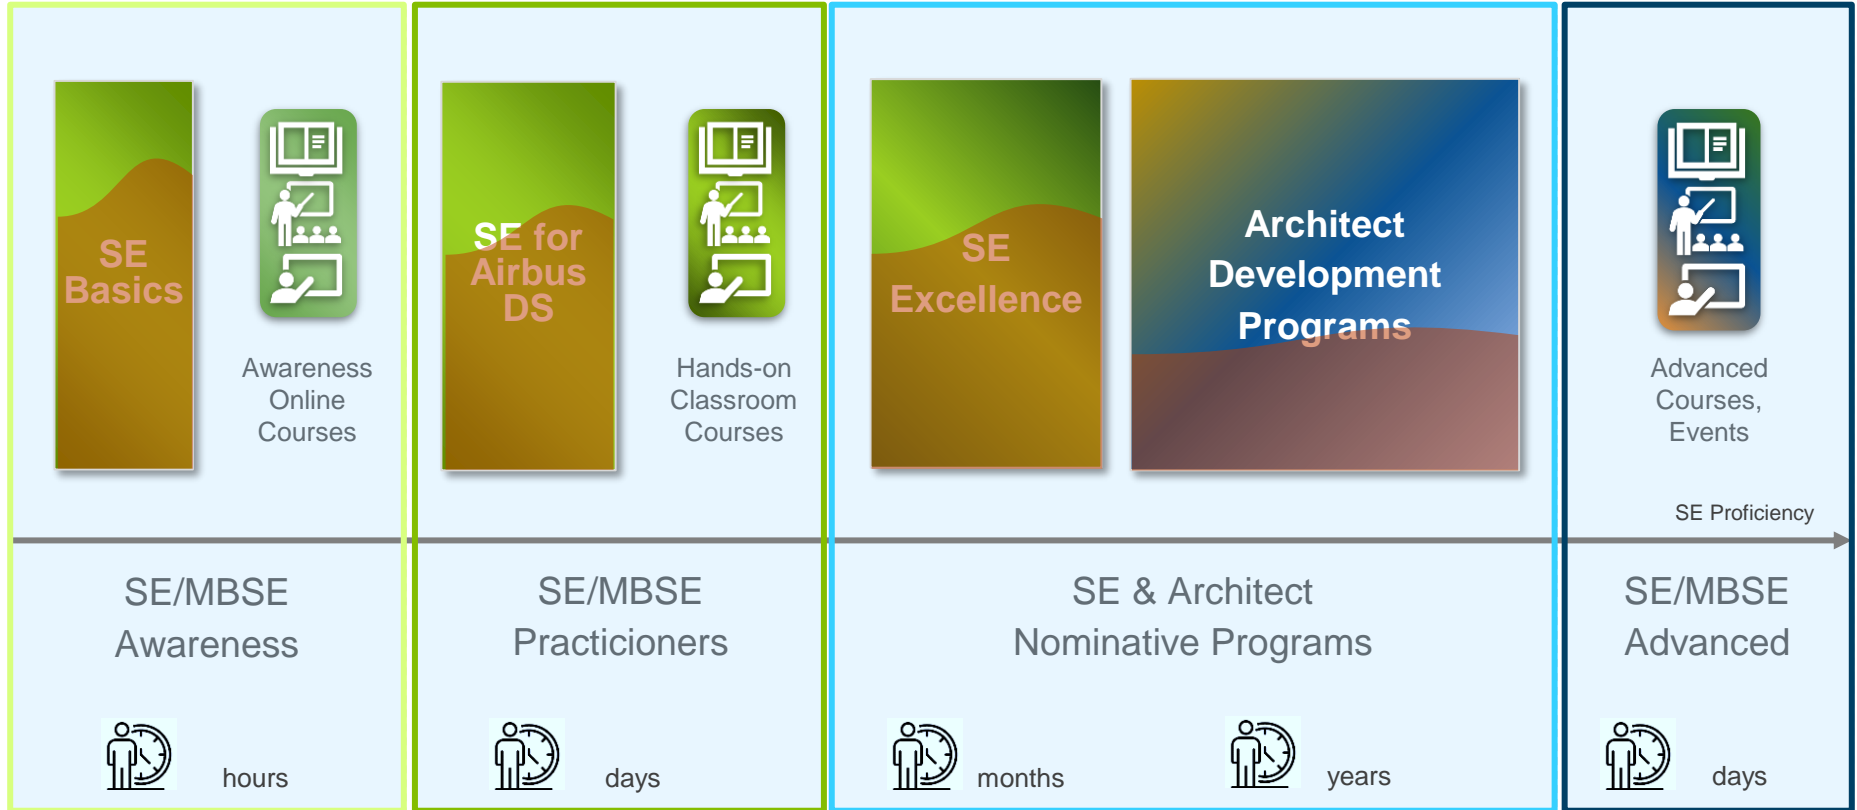

Space Systems

Connected Intelligence

Air Power

# Airbus DS Systems Engineering Learning Path

 Capstone & Business Projects

# Lessons Learned & Recommendations

Complex administration, high development and deployment effort!

Create **pillar programs** based on **live experiential learning** and **learning-by-doing**

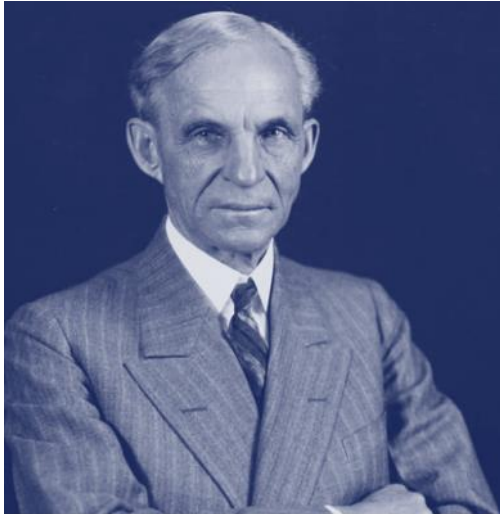

Create your **SE network of trainers** and keep them **engaged**

Track **new trends**, benchmark with **other enterprise & institutions**

Find ways to **assess Systems Engineering Competency** in your company

Help **SE become part of the company culture**, promote learning paths and opportunities

# Thank you!

„ The only thing worse than training your  
employees and having them leave  
is not training them and having them stay „

Henry Ford,  
Founder Ford Motor Company
